

Answer Key: Second Semester Exam

Task One: True/False

1. False (Surveying is first)
2. True
3. False (Interleaving is alternating topics)
4. False (Confirmation bias is seeking info that ALIGNS)

Task Two: Terminology

1. mnemonic
2. critical thinking
3. Academic reading
4. Time Blocking

Task Three: Multiple Choice

1. b (Sleep deprivation)
2. b (Indentation and hierarchies)
3. c (Intrusive thoughts/anxiety)

Task Four: Short Answer

1. Primary: Original material (novel). Secondary: Analysis of that material (essay).
2.
 - Cramming: Trying to learn everything at the last minute leads to overload.
 - Passive Reading: Reading notes without engagement leads to poor retention.
 - Highlighting Without Processing: Highlighting without summarizing is ineffective.
 - Lack of a Plan: Random revision reduces efficiency.
3. Physical/Mental preparation
